

AMENDMENTS TO THE SPECIFICATION

Please replace the Title of the Invention found on application page 1, line 1, with the following replacement title:

~~A method for construction a superconducting multiphase cable~~
comprising N Phases and method of constructing the cable

Please add the following paragraph to page 1 of the application, immediately beneath the Title of the Invention:

Cross-reference to related applications

This application is a continuation of U.S. patent application number 09/600,554 filed on September 19, 2000 (now US patent number 6,684,486), which is a national stage entry of PCT/DK99/00645 filed on November 22, 1999 claiming priority to Denmark application 01533/98 filed on November 22, 1998.
